## CIRCULAR LETTER

OTC and Listed B3 Participants

Re.: **Launch of the B3 DI Ultra Quality Debentures Index (IDEB Ultra DI B3)**

We hereby inform you of the launch, on **February 13, 2025**, of the B3 DI Ultra Quality Debentures Index (IDEB Ultra DI B3).

We have created this index to be a reference point that represents the average performance of debenture prices, with remuneration comprised of the DI Interbank Deposit rate + spread.

This is a total return index that will develop based on the reference prices that B3 calculates and on debenture market volumes over time. The range of assets eligible for the theoretical portfolio will begin with debentures that are eligible for deposit as collateral, which will be determined by B3's risk team.

The IDEB Ultra DI B3 methodology is available at [www.b3.com.br/en\\_us/](http://www.b3.com.br/en_us/), Market data and indices, Fixed Income Indexes, IDEB Ultra DI B3.

Further information can be obtained by email at [indicesb3@b3.com.br](mailto:indicesb3@b3.com.br).
