Re.: **Changes to the B3 Access Manual – Update to the Values of Contributions to the Settlement Fund (FLI)**

B3 hereby informs you that on **April 14, 2025**, a new version the B3 Access Manual will come into effect.

The changes to subsections 2.1.5, 2.3.4 and 2.4.4 of **Chapter 2 – Authorized Participants**, about posting collateral by the clearing member, full trading participant and settlement participant, respectively, consist of updating the values of the contributions required for the B3 Settlement Fund (FLI), as set forth in Circular Letter 002/2025-VNC, dated January 9, 2025.

This is strictly an update to the tables regarding contributions to the FLI contained in the Manual, so as to reflect the values already announced through the abovementioned Circular Letter, as these values came into effect as of January 24, 2025 and are already required from the participants.

The new version of the Manual will be available as of **April 14, 2025**, at www.b3.com.br/en_us/, Regulation, Regulatory Framework, Regulations and manuals, Access, Access the documents.
